SIR,

Sri Sringeri Mutt - grant of a site in Harakere (Inam) Village, Shimoga Taluk, belonging to the Mutt, to Mr. M. Gundara Rao, Deputy Commissioner, Shimoga District, at an upset price - sanction sought for -

le 29/8/44 F

I have the honour to refer to correspondence ending with your D.O. No. G.A.D. 1144-45, dated 23rd June 1944, addressed to Mr. M. Gundara Rao, Deputy Commissioner, Shimoga District, for release a house site in the Gramatana of Inam Harakere, a declined village, Shimoga Taluk, belonging to Sri Sringeri Mutt, for an upset price that the Jahagir authorities may fix. The Deputy Commissioner, Kadur District, has, in his letter No. S2-5509/132/43-44 dated 10th August 1944, reported that the Officer in-Charge of the Mutt has, after visiting the village, selected a suitable plot of land measuring 100 ft. by 274 ft. (portion marked "X" in the enclosed sketch showing the Sri Someswaraswamy Temple and the surrounding vacant sites in the village) proposed to be granted to Mr. Gundara Rao, at an upset price of Rs.147-8-0, calculating at the rate of Re.0-6-0 per sq.yd. of the site, as suggested by the villagers of Inam Harakere and Mandli villages, in their Mahazar dated 24th July 1944. It is reported that the Officer in-Charge of the Mutt could not obtain the final views of His Holiness, on the proposal, owing to his present state of health.

Mr. Gundara Rao has, in his present letter No.G.A.14/44-45 dated 14th August 1944, stated that the price fixed at the rate of Re.0-6-0 per sq. yd. of the site, as recommended by the Deputy Commissioner, Kadur District, is very low for a man of his (Mr. Gundara Rao's) means, and that he is prepared to give two annas per sq.yd. of the site measuring 100 ft. by 274 ft., the amount that has to be paid at this rate for the entire site being Rs.300-0-0. He adds that, if other respectable people of Shimoga, however, want land in this locality (Harakere village),

is strained may not be kept as a precedent, as the village is really a growing backward, and, in order to attract people of higher communities to settle down in that place, it may be necessary to show concessions, as recommended by the Deputy Commissioner, Kadur District.

In these circumstances, I request that sanction of Government may kindly be obtained to the proposal of the Deputy Commissioner, Kadur District, to grant the vacant site measuring 100 ft. by 274 ft. on the road in Kallahalli village, to Mr. Sundara Rao, for building a house for his personal use, the upset price for the site being fixed at Rs. [illegible] per square yard, as agreed to by him.

Copies of letter No.E.Ca-8909/100/40-44 dated 10th August 1944 and the enclosures received from the Deputy Commissioner, Kadur District, and [illegible] No.P.C.14/44-45 dated 11th August 1944, received from the Deputy Commissioner, Shimoga District, on the subject, are submitted herewith, for favour of reference and return when [illegible].

I have the honor to be,

Sir,

Your most obedient servant,

M. Venkatarao

for Chief Secretary.

Lett dated 3rd June 1944 [illegible] Deputy Commissioner, Shimoga District, Shimoga, to the Officer-in-Charge, Sri Sringeri Mutt, Sringeri.

I have desire to construct a small cott[illegible] in the Devotana of the Joodi Harake village of the Sringeri Mutt, where I want to spend the evening of my life in religious studies. I am therefore applying to you for a site 90 yards by 60 yards by the side of the Sri Rameshwara temple on the left bank of the river Thunga. I am willing to pay any reasonable upset price for it that you may fix. A sketch is enclosed for reference. I request you to kindly grant the same to me at a very early date. I have written to the Revenue Commissioner for permission to negotiate this transaction.

Yours "obey"

Sir,

Subject:- Re: purchase of a site in Harkere Inam village of the Sri Sringeri Mutt by Mr. G.Sundara Rao, Deputy Commissioner, Shimoga.

1345

With reference to your Memo No. C.R.5909-P.M.430/43-44 dated the 30th June 44 on the above subject, I have the honour to state that Mr. G.Sundara Rao, Deputy Commissioner, Shimoga District, addressed a letter to me on the 3rd June 1944 asking for the grant of a site 90 yards by 80 yards by the side of the Sri Rameswara temple in Inam Harkere village. Copy of his letter and the sketch furnished by him in original are enclosed. I submitted the matter to His Holiness and He was pleased to instruct that I may visit the village and reserve certain areas adjacent to the Sri Rameswara temple for buildings required for Sri Mutt purposes in future and give Mr. G. Sundara Rao a suitable plot of land. I therefore visited the village on the 15th July 1944 with Mr. G.Sundara Rao, Deputy Commissioner and traversed the entire village area to select a suitable plot for him. He preferred to have the site adjacent only in the area originally selected by him (vide his sketch) and in view of the fact that the Sri Mutt's future requirements had to be kept in view, he agreed to take half the extent of what he had originally desired, leaving the other half adjoining the compound wall of the temple to the Sri Mutt. The enclosed sketch prepared by the Sri Mutt Revenue Inspector gives the required details. The area marked C.I.P.F. in the one originally agreed by the Deputy Commissioner, Shimoga leaving a belt of three yards wide by the side of the temple compound wall measures [illegible] and the entire width of the [illegible]

is 215 feet. The length C.B.F. will be 274 feet [illegible] road main 60 feet. Out of the 215 feet width, 100 feet from the temple compound wall may be reserved for the Sri Mutt's future requirements and a road of 15 feet left from the Thirthalli road to river (L.M.N.O.) The plot Y.W.C.F. will be the one that is required by the Deputy Commissioner, Shimoga, and this will measure 100 feet by 274 feet.

It will be seen from the Mahazar and the Revenue Inspector's report that Harkere is a Brahmin village and sites are not in demand. The Mahazarnama suggest three pies per square yard as the value. At this rate, the price of the site proposed to be sold (27400 sq.ft. or 3044 sq.yds.) will be Rs. 47-9-0. In view of the present state of the health of His Holiness, I am unable to place this matter again for His final consideration and views. I have therefore submitted the matter for order. ~~Allowed as proposed.~~

However small, I think, that this site L.M.N.C.F. may be given to the Deputy Commissioner, Shimoga, for the above upset price, as he told me that he would construct a decent little house for his personal use in Sagar Taluk Kondli and would start the work soon after the rains stop. There are other disciples of the Sri Mutt who desire to construct houses there with a view to make this village Chirak and important, but initiative of Deputy Commissioner is awaited. If the Deputy Commissioner shows a lead in this work, I feel others will follow soon and the village will improve and the Sri Mutt also stands to gain.

I solicit Your early orders in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

letter No. B5909/155/43-44 dated 10th August 1944 from the Deputy Commissioner, Kadur District, to the Muzrai Commissioner in Mysore.

Subject: Purchase of a site in Horakere Inam village of Sri Sringeri Mutt by Mr. G. Sundar Rao, Deputy Commissioner, Shimoga District.

Adverting to Government Order No.4725-27/C.13221-43-2 dated 22nd June 1944, permitting Mr. C. Sundara Rao, Deputy Commissioner, Shimoga to purchase a house site measuring 90 yards by 60 yards in the Gramatana of Inam Harakere village, Shomoga Taluk, belonging to Sringeri Mutt, for an upset price that the Jahagir authorities may fix, I have the honor to enclose herewith a copy of report No.M.C.9/44-45 dated 31st July 1944 together with its enclosures received from the Officer-in-charge, Sri Sringeri Mutt and to state as follows:-

It is reported that the Officer-in-charge, Sri Sringeri Mutt traversed the whole Harakere village, with Mr. G. Sundara Rao, Deputy Commissioner, Shimoga, for selecting a suitable plot and that Mr. Sundara Rao has agreed to purchase the land marked M.N.O.P. (measuring 100 feet by 274 feet) in the sketch enclosed in the records, and that the mahazardars have suggested 3 pies per sq.yard as the value and at this rate the value amounts to Rs.47-9-0 and that he could not obtain the final orders of His Holiness in the matter, due to the present state of his health and recommends that the site, agreed to by Mr. G. Sundara Rao may by given to him to the above upset price. The Officer-in-charge, Sri Sringeri Mutt also adds that Harakere is a Becharak village and there are other disciples of the Mutt desiring to construct houses there, with a view to make the village cheerful and important, but initiative as well, as impetus therefor is wanted and that the Deputy Commissioner, Shimoga , (Mr. G. Sundara Rao) has stated that he would construct a decent little house for his personal use in about six months and would start the work soon after the rains stop and that if he leads this work, others will follow and the village will improve and the Mutt also stands to gain.

In the circumstances reported, I request that sanction may be accorded to grant the site measuring 100' x 274' (MNOP) marked in the sketch at Horakere for the upset price recommended by the Officer-in-charge, Sri Sringeri Mutt, to Mr. G. Sundara Rao, Deputy Commissioner, Shimoga.

The favour of early orders is ~~solicited~~ requested.

Letter No.C.C.14/44-45 dated 14th August 1944 from the Deputy Commissioner, Shimoga District, to the Mukrai Commissioner in Mysore.

I have the honor to invite your kind reference to the letter No. SD.RCOS/153/45-44 dated 10th August 1944 of the Deputy Commissioner of the Kadur District recommending the sale of a site in Varakere Inam village to me at ... ties per square yard and to state that for men of my ... s the price recommended by the Deputy Commissioner is very low. I am prepared to give two annas per square yard of the area measuring 100 feet by 270 feet as per the sketch. The amount that will have to be paid by me will be Rs.630-0-0.

In ... other respectable people of Shimoga however want land in this locality, I request that this standard may not be kept as a precedent for them. The village is really going backward and in order to attract people of higher communities to settle down in this place, it may be necessary to show concessions as recommended by the Officer in charge of the Sri Sringeri Mutt and the Deputy Commissioner of Kadur.
